ACITION ITEM: REIVISIONS TO POLICY 3.16-3.20

3.16 SAFETY

EdVisions Cooperative provides information to the schools/staff members about workplace safety and health issues through regular internal communication such as:

- Training sessions
- Team meetings
- Bulletin board postings
- Memorandums
- Other written communications

Each staff member is expected to obey safety rules and exercise caution and common sense in all work activities. Staff members must immediately report any unsafe conditions to a TPS committee member. Staff members who violate safety standards, cause hazardous or dangerous situations, or fail to report, or where appropriate, remedy such situations, may be subject to disciplinary action including termination of employment.

In the case of an accident that results in injury, regardless of how insignificant the injury may appear, staff members should notify the Personnel Committee.

First Reading: 01/15/2019 Second Reading: 02/19/2019 Third Reading: 03/19/2019

3.17 HEALTH-RELATED ISSUES

Staff members, who become aware of any health-related issue, including pregnancy, should give notice to the Administrative Manager of health conditions and/or restrictions. This policy has been instituted strictly to protect the staff member.

A written "permission to work" from the staff member's doctor may be required at the time or shortly after notice has been given and, in some cases, may be required before returning to work if the absence is more than 3 days. The doctor's note should specify whether the staff member is able to perform regular duties as outlined in their job description.

A leave of absence may be granted on a case-by-case basis. If the need arises for a leave of absence, staff members should notify the Personnel Committee.

First Reading: 01/15/2019 Second Reading: 02/19/2019 Third Reading: 03/19/2019

3.18 BUILDING SECURITY

All staff members who are issued keys to the schools are responsible for their safekeeping. The last staff member, or a designated staff member, who leaves the school at the end of the business day assumes the responsibility to ensure that all doors are securely locked, and all appliances and lights are turned off with exception of the lights normally left on for security purposes.

3.3 NEW STAFF MEMBER ORIENTATION

Orientation is a welcoming process that is designed to make the new staff member feel comfortable, informed about the Cooperative and School, and prepared for their position. New staff member orientation is conducted by the TPS Committee, and includes an overview of the Cooperative and School history, an explanation of the Cooperative core values, vision, and mission, goals and objectives as well as School policies and procedures. In addition, the new staff member will be given an overview of benefits, tax, and legal issues, and complete any necessary paperwork provided.

4.4 HARASSMENT, INCLUDING SEXUAL HARASSMENT

Academic Arts High School and EdVisions Cooperative are committed to providing a work environment that is free of discrimination and unlawful harassment. Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, or any other legally protected characteristic will not be tolerated.

If you believe you have been the victim of harassment, or know of another employee who has, report it immediately. Employees can raise concerns and make reports without fear of reprisal.

Any staff member who becomes aware of possible harassment should promptly advise the Personnel Committee who will handle the matter in a timely and confidential manner.

Academic Arts High School has adopted a Harassment and Violence Policy. It is the policy of Academic Arts to maintain a learning and working environment that is free from religious, racial, sexual, or any other type of harassment and violence. This policy refers to staff and to staff harassment.

Policy Against Sexual Harassment, Harassment, and Sexual Violence.

Policy: Harassment is defined as verbal or physical contact, which has the intent or effect of unreasonably interfering with an individual's or group's work performance, which creates an intimidating, hostile or offensive work environment. Verbal and/or physical contact is defined as harassment when:

- Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment or education; or
- Submission to or rejection of that conduct or communication by an individual is
 used as a factor in decisions affecting that individual's employment or education;
 or

Harassment could be based on gender, race, religion, sexual preference, sexual orientation, national origin, disability, marital status, and status with regard to public assistance. These are the legally protected areas. However, Academic Arts High School's policy prohibits all forms of harassment, not just those covered by law. Discrimination, sexual harassment, and sexual violence are all against the law. It is the policy of Academic Arts to enforce a "Zero Tolerance" with regard to such behavior and to abide by all federal and state laws which prohibit harassment. Academic Arts will attempt to maintain an employment atmosphere free of harassment, intimidation, and coercion. Supervisory and management personnel of Academic Arts are responsible for implementing this policy and their success in their jobs depends, in part, on a successful implementation.

Procedure: Any employee who feels that he/she is being subjected to harassment, sexual harassment, or violence in any form or he/she has witnessed sexual harassment, harassment, or sexual violence with regard to an employee, should contact his/her immediate supervisor. If the employee is uncomfortable or unwilling to contact his/her immediate supervisor he/she should contact the Lead Teacher or Board Chair.

The following procedure will be used by Academic Arts in each reported case of an incident of sexual harassment, harassment, or sexual violence. In all reported incidents, a prompt, thorough, and fair investigation will take place, giving careful consideration to protect the rights and dignity of all people involved. In addition, appropriate disciplinary action will be taken when it is determined that individuals have violated this policy.

NO RETALIATION OF ANY KIND WILL OCCUR BECAUSE YOU HAVE REPORTED AN INCIDENT OR SUSPECT SEXUAL HARASSMENT, HARASSMENT, OR SEXUAL VIOLENCE. WE ENCOURAGE YOU TO HELP US KEEP ACADEMIC ARTS HIGH SCHOOL FREE OF HARASSMENT AND SEXUAL VIOLENCE.

In summary, it is the belief of Academic Arts that most employees conduct themselves in a professional manner. However, if harassment or sexual violence occurs, Academic Arts is confident that the procedures outlined above will assist the employee in better understanding how to deal with this issue.

4.5 TELEPHONE USE

Academic Arts High School's telephones are intended for the use of serving our students and in conducting the School's business.

Personal usage during business hours is discouraged except for extreme emergencies. All personal telephone calls should be kept brief to avoid congestion on the telephone line.

To respect the rights of all members and avoid miscommunication in the school, members must inform family members and friends to limit personal telephone calls during working hours.

If a member is found to be deviating from this policy, he/she will be subject to disciplinary action (See Section 3.13, Corrective Action).

4.6 PUBLIC IMAGE

Dress code for Academic Arts employees follows the same policy as students. Academic Arts High School encourages students, parents/guardians, staff and community members to dress appropriately for school activities and in keeping with community standards. When a member of the community is offended by another's clothing, that individual should call for a mediation to discuss how to resolve the issue. It is not the intent of this policy to abridge the rights of staff to express political, religious, philosophical or similar opinions by wearing apparel on which such messages are stated. Such messages are acceptable as long as they are not lewd, vulgar, obscene,

defamatory or profane. Understanding that student dress is not always appropriate for employees to wear, any concerns about dress can be addressed through the previously stated process.

3.11 Professional Growth and Evaluation System

The AAHS TPS Staff Evaluation Plan is built upon three foundations: practice and feedback, student engagement, and student growth culminating in an individually presented portfolio. The system meets all requirements of Mn State Statute 122A.41 Subd. 5. Where appropriate - the statute section is referenced in *italics*.

(2) must establish a three-year professional review cycle for each teacher that includes an individual growth and development plan, a peer review process, and at least one summative evaluation performed by a qualified and trained evaluator such as a school administrator.

The AAHS system exceeds this requirement as each TPS staff member completes a full cycle of activities each year. AAHS professional development activities and Professional Learning Community topics are based on needs established through the system.

(4) must coordinate staff development activities under sections <u>122A.60</u> and <u>122A.61</u> with this evaluation process and teachers' evaluation outcomes; (6) may include job-embedded learning opportunities such as professional learning communities.

Individual Growth Plan:

All TPS members will complete the individual growth plan (IGP) in the fall and present to evaluator for feedback and to the TPS in final form. Individual commits to following through on all aspects of the IGP; and will meet with the evaluator to finalize and present a summary of growth at year end to TPS.

Observation and Evaluation Meeting:

The individual is observed and evaluated twice a year using the adapted Danielson rubric. A qualified evaluator will observe and evaluate each TPS staff year and will conduct walkthroughs to gather ongoing data on the domains of planning, environment and instruction. After each observation, the evaluator gives feedback in the form of noticing's and wondering's. After the second observation, the evaluator and staff member meet to collaborate and determine rubric scores. The goal is to come to consensus. If the two do not come to consensus, it is appropriate for each to put a different score. Staff members will use this data as portfolio evidence in their self-assessment.

- (3) must be based on professional teaching standards established in rule.
- (11) must require qualified and trained evaluators such as school administrators to perform summative evaluations and ensure school districts and charter schools provide for effective evaluator training specific to teacher development and evaluation;
- ** In replacement of the observations, the behavior lead and administrative manager will complete self-evaluations co-created with the evaluator.

Peer Observation Cycle Completion:

Individuals will complete one peer observation of another TPS staff member; and also, has a peer

observe his/her practice. Peer observers use a learning walk protocol where staff members will identify their own area of practice to be observed by the peer observer. The peer observer will use a protocol to provide feedback to the individual.

- (5) may provide time during the school day and school year for peer coaching and teacher collaboration.
- ** In replacement of the peer observations, elected TPS staff members will complete peer surveys for the behavior lead and administrative manager based on their job descriptions.

Student Engagement:

Staff members will provide evidence of student engagement.

(10) must use longitudinal data on student engagement and connection and other student outcome measures explicitly aligned with the elements of curriculum for which teachers are responsible, including academic literacy, oral academic language, and achievement of English learners;

Student Achievement or Growth:

As required by statute, 35 percent of the formal evaluation rating will focus on student learning and achievement, referred to as "student growth." Student growth is measured by Northwest Evaluation Association Measures of Academic Progress (NWEA MAP). Since all teachers contribute to improving reading instruction, the selected growth goal for all students will be: "50% of all AAHS students will meet their expected growth target as measured by fall to spring administration of the NWEA MAP in reading."

(9) must use data from valid and reliable assessments aligned to state and local academic standards and must use state and local measures of student growth and literacy that may include value-added models or student learning goals to determine 35 percent of teacher evaluation results.

Portfolio Presentation:

The staff member presents an end of year portfolio to TPS. It represents a summary of their own performance for the year, including highlights such as Peer and Evaluator Observations, Self Evaluation, Peer Student Engagement, Peer Surveys and the Individual Growth Plan. It culminates with the individual describing goals for next year.

(8) must include an option for teachers to develop and present a portfolio demonstrating evidence of reflection and professional growth, consistent with section 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment based on student work samples and examples of teachers' work, which may include video among other activities for the summative evaluation;

TPS staff Improvement Plans and Consequences:

If any of the three following conditions exist, an Improvement Plan (IP) is required:

1. A staff member does not adequately participate in their evaluation process (as determined by

- feedback from peers, observers or the trained evaluator).
- 2. A staff member does not complete any of the required elements of the TPS Staff Evaluation System.
- 3. A staff member is rated "Developing" in 4 of the 7 rubric areas observation evaluation rubric by the trained evaluator.

The purpose of the IP is to serve as a notice to the staff member that they must be able to demonstrate progress in the area(s) of concern within a reasonable timeframe agreed upon by the Evaluation Task Force. The IP will include very specific goals and action steps that the individual plans to take, as well as supports that the school will either provide or connect the staff member to. Progress will be evaluated by TPS and the trained evaluator. If TPS determines that inadequate progress has been made:

• The individual will be notified by Human Resources that the school is searching for candidates to fill their position. In this case, the staff member is expected to continue to perform the duties of their job and continue to strive to achieve the goals of the IP. If the individual does make satisfactory progress toward the goals of the IP during the time that the school is searching for a replacement, the administration will consider not replacing that individual.

Or

- The staff member will be notified by Human Resources that their contract is terminated.
- (12) must give teachers not meeting professional teaching standards under clauses (3) through (11) support to improve through a teacher improvement process that includes established goals and timelines; and
- (13) must discipline a teacher for not making adequate progress in the teacher improvement process under clause (12) that may include a last chance warning, termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline a school administrator determines is appropriate.

Yearly Review:

Each staff member has a Yearly Review meeting at the end of each school year. This involves staff, parent, and student evaluations, the completed Professional Development Plan, and a discussion of any outstanding work or corrective action that occurred throughout the year.

Compensation Review:

When all Yearly Reviews have taken place, the full staff will complete a compensation review together in which changes in salary will be discussed. The outcome of the Yearly Review and the status of the school budget will play major roles in the salary discussions.
